Bravo cat & dog foods SALMONELLA recall

Bravo, a company that specializes in raw pet food, has recalled **turkey and chicken foods for cats and dogs due to salmonella.** The bacteria can harm pets and people handling the food.

Recalled foods:

1. **Raw Turkey Blend for cats and dogs**
(2lb. package with best used by date of 11/05/15.)
2. **All Natural Chicken Blend for cats and dogs**
(2lb. package with best used by date of 8/11/16.)
3. **Raw Premium Turkey Balance Formula**
(5lb. package with best used date of 11/5/15.)
4. **All Natural Chicken Blend diet for cats and dogs**
(5lb. package with best used by date of 8/11/16.)

The foods were sold nationwide starting November. 12, 2013. If you have any of these products, dispose of them immediately.

Symptoms of Salmonella poisoning in your pet can include:

- Diarrhea that might contain blood or mucus
- Fatigue/ tiredness
- Fever
- Vomiting
- Decreased appetite
- Excess salivation

Cats and dogs can have *Salmonella* infection and not appear sick. If your cat or dog has any of these signs of illness – or has consumed the above foods – contact your veterinarian immediately. Let your veterinarian know that your pet has consumed a recalled food.
